## The Parisian Album

The Parisian range offers more of a traditional yet timeless looking wedding album which is printed and built using high quality photographic methods to create a hard-wearing and rigid photo page.

This album is printed photographically using Fuji Professional DPII silver halide paper and is made entirely by hand, to order in the UK.

There are 9 premium soft touch leatherette colour options for the cover, and they are supplied in a black box.

# The Album Process:

- Communication is key.
- I will make myself available to you at any stage for a conversation, so get in touch if you want to discuss any aspect of your album.

- CHECK! CHECK! CHECK your album at every stage.

## Choose Your Album:

- If required, a no-obligation sample album meeting with Ingrid is available for: £50 when arranged at a Chertsey location.  
£150 + travel time/mileage (depending on your location) if you would like Ingrid to come to your home.
- Both fees are non-refundable and will be deducted from your final bill if you choose to go ahead with the album.
- Please note that the Parisian album has an absolute upper limit of photos due to its construction, so if you want loads of photos this may influence your album choice.

## Choose Your Photographs & Provide Your Text/Titles:

- You can request a colour/BW conversion in most cases, crops etc.
- Ingrid will use spelling & grammar reviews where possible and look out for anything odd, but ultimately the responsibility for the content is YOURS.
