WEDDING PHOTO BOOKS 2025

Printed on high-quality paper rather than photographic paper, Photo Books are an affordable alternative to traditional photo albums.

You can create smaller copies for your family and friends, or just enjoy your album together.

Please feel free to get in touch at ANY time after your wedding to discuss your photo book.

All Main Album photo books are printed on ultra bright, high opacity 148 g/m² Mohawk Superfine Eggshell paper as standard.

This is a heavyweight archival-quality uncoated paper with a subtle eggshell texture.

The standard end sheet is mid grey. This is the paper glued to the inside of your hardcover book's front and back cover. They attach to the bound-together pages (the page block) and hold the page block to the hardcover case.

Smaller gift copies for family and friends are available in softcover as well as hardcover, and you can opt to have plain paper for these.

The prices listed include standard UK shipping.

30 images, one image per page, no design:

These are super-simple books with one photograph per page plus personalized front and back cover images.

Images are either full page or with a black sight line on white paper.

Title(s), captions and page/photo order are to be supplied and clarified by the client.

The Album Process:

- Communication is key.
- I will make myself available to you at any stage for a conversation, so get in touch if you want to discuss any aspect of your album.
- Once the album is ordered all decisions are final!
- CHECK! CHECK! CHECK your album at every stage.

Choose Your Album:

- If required, a no-obligation sample album meeting with Ingrid is available for: £50 when arranged at a Chertsey location.
£150 + travel time/mileage (depending on your location) if you would like Ingrid to come to your home.
- Both fees are non-refundable and will be deducted from your final bill if you choose to go ahead with the album.
- Please note that the Parisian album has an absolute upper limit of photos due to its construction, so if you want loads of photos this may influence your album choice.

Choose Your Photographs & Provide Your Text/Titles:

- You can request a colour/BW conversion in most cases, crops etc.
- Ingrid will use spelling & grammar reviews where possible and look out for anything odd, but ultimately the responsibility for the content is YOURS.
- CHECK CAREFULLY AT EVERY STAGE OF THE PROCESS.

Request Upgrades/Additional Photos/Smaller Copies:

- If you would like any extras, additional photos (where possible), paper upgrades etc. they may be subject to a fee.
- Smaller (parent/gift) copies can be requested/quoted for at this point – you will have another opportunity to order these before the main album is ordered.
- Ingrid will send an itemized quote or quotes so that you can review/compare the total costs.
- Review this and request any further changes before Ingrid issues the invoice.

Pay For Your Album:

- The main Album must be paid for prior to the start of the designing process.

Image Assembly:

- Ingrid creates the book design.

Approve Your PDF:

- Once the design is completed, you will be provided with a PDF of the layout.
- This is a guide only to get an idea of the layout and text.
- REVIEW CAREFULLY!! - check all the images and text are exactly how you want them!
- You have one complementary opportunity to supply a list of all your changes.
- Once I have your requests, I schedule time to alter the design as per your requirements.
- An altered PDF will be sent for approval.
- Subsequent change requests are £20 each as I need to set aside time.

Ordering:

- There is no going back once the order is sent to the publisher.
- CHECK! CHECK! CHECK!
- Once you have approved your final design, Ingrid will ask if you would like parent copies (where available). Once these are paid for the finalized design will be sent to the publisher.

Delivery:

- The album(s) are sent to Ingrid initially for her review.
- Where possible, Ingrid will then deliver in person.
- Otherwise, they will be delivered via a tracked service. Please let Ingrid know when they have arrived safely.
- Additional copies are available at any time as separate purchases.
